Noon, Friday, October 24, 1913, marked the closing of the Y. M. C. A. contest, in which M company was awarded the prize, a banquet at the Hotel Bryan, by virtue of having subscribed the highest amount per man in the company. The race, for the last two days, was very close between Company M and Company K, and it is said that not even a penny stamp, much less any money could be found among the cadets of Company M at the close of the contest.

The standing of the three leading companies at the close of the contest was as follows:

Company M total, \$244.75, average \$3.77.

Company K total 200.20, average \$3.55.

Company A, total \$140.00, average

\$1.91.

The total amount in cash collected from the corps was \$1125.00 and cards are held by the captains for future collections which will amount to \$2000.00.

The committee is very well pleased with the result of the contest, for it is now now assured that the \$15000.00 which has to be raised by January 1, 1914, in order to procure the \$15000.00 donation of a friend in secure, \$2000 of this money has been pledged by the campus props, \$2000 from the corps of Cadets, \$2000 by Bryan business men, \$4000 from a source which the committee does not wish to make public, and \$5000 from an out of State source.

As soon as this money is in the hands of the Y. M. C. A. committee, work on the Y. M. C. A. will not be suspended until the building is completed.—The Battalion.
